

On behalf of the entire Global Elite Awards team, it is my great pleasure to congratulate **Lori Morris Design on being awarded the Global Elite Award 2026 for Leading Luxury Residential Interior Design Studio in Canada.**

Our judging panel reviewed all shortlisted candidates with great care and the decision to recognise Lori Morris Design was clear. Your commitment to excellence, the quality of your work, and the impact you have made in your industry set you apart.

Your ability to create one-of-a-kind homes that cannot be replicated, refined over nearly four decades of designing award-winning interiors for discerning clients across North America, is the kind of mastery the panel wanted to recognise this year.

A practice that begins each project without rules, spanning new construction, full renovations, and end-to-end project management, points to a studio built around bespoke craftsmanship rather than trend-following. That's why the panel has named Lori Morris Design the winner of Leading Luxury Residential Interior Design Studio.

This award is a reflection of everything your team has worked hard to build and it deserves to be celebrated. We are proud to welcome you to the Global Elite Awards 2026.
