Urban Opulence

Lori Morris Design, based in Toronto, Canada, is a globally recognized leader in luxury residential and commercial interior design. The firm has cultivated an illustrious reputation for unparalleled craftsmanship and extraordinary attention to detail. Visit LoriMorris.com to learn more.

Photo by Brandon Barré Photography

Designer Lori Morris brings glamour to life with her bold, unapologetic style. In her project *Urban Opulence*, sculptural lighting, layered textures, and striking artwork turn the everyday into an experience. Drama meets comfort in a space designed to be as livable as it is luxurious.

Love, VIE
